Hi Yasmine,

Happy to learn that we are all on the same page now. Thank you Kimberley and Katy for your help in clearing up this confusion.

Please feel free to let me know if there is anything else.

Best,

Rebecca Kwan

Hi Kimberley,

Thank you for the update! We're super pleased to hear that we are at least on the wait list. In the meantime, we'll continue our fundraising efforts with local businesses, which was super successful last year, but obviously not sustainable for the longterm.

Have a great weekend,
Yasmine

Hi Yasmine,

I spoke with my supervisor this morning. She has confirmed that the Bradley Estates Community Association is on the waitlist to receive funding for supervision hours at Patrick Dugas and Bradley Ridge.

As we discussed, we have reached the maximum capacity for the amount of grant funding that we can allocate to rink operations. As funding becomes available due to the closure of other existing rinks, either because of lack of use by the community or lack of interest from volunteers, we consider the sites on the waitlist.

Each request for funding is assigned a level of priority based on the size and scope of the rink. In the event that the Councillor decides to move forward with funding a rink change space, this would be considered a high priority request.

Please let me know if you have any further questions.

Sincerely,

Kimberley Giroux

Hi Kimberley,

I am so sorry about the confusion... I just got off the phone with Kimberley who clarified that yes indeed we do receive rink maintenance funding on a permanent basis. It was our

understanding that we only received it as a one-off last year (though we applied it to the rental of trailers). So this is great news! However I can confirm that we do not and will not receive trailer supervision funding. Can you confirm that supervision funding will not be required for the Rink Chalets? Other questions are who is responsible for the key for the units throughout the year, are these units able to be booked by residence for birthday parties or other events, and who would be responsible for scheduling and safekeeping... Also what insurance impacts would it have on our organization, if any?

My concerns about funding a new basketball court are still in effect however, as no basketball court is in the plans for the new park. I say this with the caveat that we do not support the moving of the basketball key from Fountainhead park and ask that sound barrier wall be considered instead between the existing key and the homes.

Hi Yasmine,

Thank you for your reply. I just want to check in as I know you are concerned about rink funding for the Patrick Dugas rink. Would you mind clarifying which funding you are referring to. I verified with city staff and the two rinks, Bradley Ridge and Patrick Dugas, are indeed funded through the Outdoor Rink Program.

As the confusion might be coming from there, please let me know which funding you are referring to, and I'll be able to provide you with a thorough answer.

Again, thank you for reaching out about this.

Best,

Hi all,

(Rebecca, please note Julie's correct email address).
Some items I wanted to address with you/board:

1. The funds for these come from the cash-in-lieu of parks fund. There is currently approx \$420K to be shared across the ward. Each of these trailers costs \$50K approx, correct?
2. The councillor plans on moving the basketball court at Fountainhead to the Spring Valley trails park, where there is not one planned nor funded. Want to be certain first that there are funds for a bball court.
3. Patrick Dugas does not receive rink operations funding. Right now, Chris is operating on a purely volunteer basis, but if he, for any reason, were to discontinue his efforts, we'd have a rink trailer with no rink.

Good afternoon,

Councillor Laura Dudas is seeking your input regarding the installation of a semi-permanent, multi-use structure that would provide onsite, skate-changing facilities at the rinks in both Bradley Ridge and Patrick Dugas parks.

The Councillor is actively seeking feedback from the community association and rink operators. Additionally, she will also be hosting two pop-up offices coming days, to be held at each proposed location.

More information about the proposed structures and pop-ups is can be found on the Councillor's website, LauraDudas.ca. and will be shared shortly on social media.

Please feel free to share this message with any other rink/park stakeholders and the wider community.

Sincerely,

<image003.png>
